RESPONSE TO NOTIFICATION OF DEFECTIVE RESPONSE

Dear Sir:

A Declaration filed on May 16, 2007 by inventors Vincent Linder, Samuel K. Sia, and George M. Whitesides identified the correct inventors of the present application. International application No. PCT/US2005/003514, filed on July 25, 2006, included additional inventors Babak Amir Parviz and Adam Siegel, as published. However, inventorship was subsequently amended by removing Parviz and Siegel under PCT Rule 92bis.1. Attached is documentation showing this change. Accordingly, inventorship of the instant application corresponds correctly to inventorship of the international application.

If any issues remain unresolved in this application, please telephone Applicant's undersigned Attorney.

Dated: July 11, 2007

Respectfully submitted,

By
